

**Sunset Lake Association**  
**Lake Management Plan Review and Approval**  
**April 12, 2023**

**Board Members present:** Nola Knight, Peg Milosevich, Pat Quigley, Katie Simenson

**Other attendees:** Sarah Wilke, Jenny Larsen, Kris Koch, Linda Lingelbach

**Call to Order:** Pat officially convened the meeting at 7:15 (there were a few Google challenges). The purpose of this meeting was to review the Sunset Lake Management Plan.

**Sunset Lake Management Plan review:** Due to the Google challenges, Tracy Arnold was unable to join the meeting, so Pat walked us through the document. The original document was created in 2010 and updated in 2014 and 2023. (The updated 89-page document is included in the email.)

We did a high-level review of the very thorough, well-researched document, focusing primarily on the Action Items within each of the six goals. After reviewing and discussing the action items, the Board voted to **approve the plan**. Additional approvals are required from the Town of New Hope, Portage County and the Wisconsin Department of Natural Resources. Pat will be attending the Town of New Hope meeting next week to present the plan and seek their approval. Tracy will work with Portage County and the WI DNR.

Overall, we have made some significant progress on several action items. An additional attachment in the email is the Lake Management Plan Action Items summary for your reference. Please stay tuned for more updates!

The meeting ended at 8:00 p.m. Please let me know if you have any questions. Thanks!
