

**Sunset Lake Association  
Board of Directors Meeting Minutes  
March 25, 2026**

**Members present:** Pat Quigley, Nola Knight, Peg Milosevich, Barb O'Brien, Katie Simenson, Sarah Wilke

**Call to Order:** Pat called the meeting to order at 7:02 p.m.

**Approved Minutes from last meeting:** The minutes of the December 17<sup>th</sup> Board meeting were approved.

**Old Business:**

**Sunset Lake T-Shirts** – we are moving forward with the design and production of the Sunset Lake association T-shirts. We determined that the most efficient way to handle this initiative is to have the Lake Association purchase the shirts, then introduce (and potentially distribute if the timing works) them at the Central Waters Tap Talks member appreciation gathering in May (details later in the minutes). Jenny Larsen has volunteered to lead the committee with help from all of us.

**WI Lakes and Rivers Conference – April 15-17, 2026** – Nola and Pat will be attending the conference. (Thank you!)

**Future Projects**

**Aquatic Plant Management Plan** – we may consider the use of some professional divers for the deep EWM, but not to the extent that we used DASH divers because of the progress we are making.

**Review Lake Management Plan** – keeping it on our radar.

**Milfoil Hand Removal Dates** – we will determine some coordinated dates for shoreline removal efforts.

**Financial Report:**

**Current Account Balance** - \$4,870

**New Business:**

**George Klimowicz memorial donations – Thank you!** - Thank you notes/receipts have been sent to donors. We all offered to help Katie reach out to additional donors if needed. To date, we have received \$1,145 with more donations coming in. We also discussed how to best use the donated funds. We agreed that a milfoil removal station at the boat landing in George's name would honor his legacy. It would include some buckets, nets, instructions and a barrel for disposal.

## Member Appreciation Get Together

**Central Waters Tap Talks – Sunday May 17<sup>th</sup>, 2026 – 4:00 p.m.** We will send out an invitation to all Sunset Lake Association members and plan to buy everyone's first beverage. We are also planning to present the opportunity to order (or distribute) SLA T-Shirts. We hope you can attend!

The poster is for a 'TAP TALKS' event. At the top left is the 'CENTRAL WATERS BREWING CO.' logo. In the top center, the date '05-17-26' is displayed in a black rounded rectangle. At the top right is the 'Golden Sands Resource Conservation & Development Council, Inc.' logo with the tagline 'Conservation That Works!'. The main title 'TAP TALKS' is in large, bold, white-outlined letters. Below it, the speakers are listed: 'Chris Hamerla' (Regional Aquatic Invasive Species Coordinator, Golden Sands RC&D) and 'Andrew Senderhauf' (Conservation Technician, Portage County). Two photos show Chris Hamerla holding a turtle and Andrew Senderhauf holding a fish. The text below the photos says: 'Learn about your Portage County lakes and the conservation efforts to protect them, as well as where to fish, swim, and dock your boats.' At the bottom, it says 'Central Waters Brewing Co. Amherst Tap Room @ 4pm', the website 'goldensandsrcd.org', and the phone number '715-343-6215'. A QR code is in the bottom right corner. The background features a silhouette of a landscape with trees and a bird.

### Open Discussion:

No new topics.

### Next Meeting Date

The meeting ended at 7:36 p.m. The next Board meeting is scheduled for Wednesday, May 20<sup>th</sup> at 7:00.

Please let me know if you have any questions. Thank you!

Respectfully submitted,

Peg Purcell Milosevich
