Sunset Lake Association
Board of Directors Meeting Minutes
November 4, 2026

Members present: Pat Quigley, Nola Knight, Peg Milosevich, Katie Simenson

Unable to attend: Barb O'Brien, Sarah Wilke

Call to Order: Pat called the meeting to order at 4:35 p.m.

Approved Minutes from last meeting: The minutes of the August 5th Board meeting were approved.

Old Business:

Review Aquatic Plant Management Plan Draft – Pat prepared a thorough 20-page working draft and provided a 2-page summary to facilitate our discussion. The milfoil hand removal plan is part of that document. (A plan is needed for grant applications and potential DNR financial assistance with projects.)

Milfoil Map – we have made great progress since 2024. Pat and Katie are doing an incredible job mapping the lake, one to two times a year. We are saving money by doing it ourselves and not hiring professionals to do it. We discussed fine-tuning the mapping with the potential of identifying categories (1-5) for additional reference (i.e., single plants, multiple plants, deep colonies, etc.). Pat is planning to share the mapping results with all association members for reference.

Future Projects:

Review Lake Management Plan – we continue to keep it on our radar.

Financial Report:

Current Account Balance - $5,049

- D&O Insurance **–** paid $550 on October 19, 2026
- Image Management upcoming invoice - $95

New Business:

Annual Meeting - scheduled for **January 20th, 2027** – 7:00 (mark your calendar!)

Agenda:

1. **Elections –** 3 positions are up for re-election – President, Vice President and Member at Large. The Board is always looking for new perspectives and fresh ideas! Two of our members are stepping down after serving four years (two 2-year terms) to allow everyone a chance to be a part of the Sunset Lake association! We welcome and encourage interest in these positions.
2. **Aquatic Plant Management Plan –** Pat will provide an overview of the plan.
3. **Town of New Hope Website** – the website is new and we will provide an overview.
